Scottish Thistle

British hand cut crystal

Legend has it that a sleeping party of Scottish warriors were saved from ambush by an invading Norse army when one of the attackers trod on a thistle with his bare feet. His cries raised the alarm, the roused Scots duly defeated the invaders, and the thistle was adopted as the symbol of Scotland.

Corporate and bespoke designs

Royal Scot Crystal offers a most comprehensive range of decorating techniques for the production of exclusive designs, engraved badges, logos and inscriptions. In addition, gold decoration and screen printing can be combined with hand cutting to produce beautifully simple designs or intricate and elaborate patterns. Special packaging can also be provided in relatively small production quantities.
